A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

##### **Limitations on Receiving Gifts**

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee shall intentionally solicit or accept any *gift* from any *prohibited source*, as those terms are defined herein, or that is otherwise prohibited by law or policy. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under [26 U.S.C. §501\(c\)\(3\)](#).

### Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Superintendent or Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the Superintendent or Board President shall, after consulting with the Board Attorney, either place the

alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board policy 2:260, *Uniform Grievance Procedure*. A Board member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. ## **PRESSPlus Comments**

PRESSPlus 1. The term *use* in Item #2 is based on the Ill. Attorney General's model ordinance; it is arguably broader than the State Officials and Employees Ethics Act (SOEEA), which prohibits board members and district employees from intentionally *misappropriating* district property in connection with prohibited political activities. 5 ILCS 430/5-15(a)-(b). Some attorneys advise that a board member's mere presence on district property while engaging in a political activity on their own time (such as circulating an election petition at a school athletic event) is not a misappropriation of district property, and therefore does not violate the SOEEA. Consider that the term *use* may be easier to practically apply as a standard. Consult the board attorney for guidance on this issue. If the board wants Item #2 to match the SOEEA standard, substitute "misappropriate" in place of "use," and select the Save Status "Adopted with Additional District Edits." **Issue 117, October 2024**

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, demand deposit account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the District initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

### **OPERATIONAL SERVICES**

#### **4:150 Facility Management and Building Programs**

The Superintendent shall manage the District's facilities and grounds as well as facility construction and building programs in accordance with the law, the standards set forth in this policy, and other applicable Board of Education policies. The Superintendent or designee shall facilitate: (1) inspections of schools by the Regional Superintendent and State Fire Marshal or designee, (2) review of plans and specifications for future construction or alterations of a school if requested by the relevant municipality, county (if applicable), or fire protection district, and (3) compliance with the 10-year safety survey process required by the School Code.

##### **Standards for Managing Buildings and Grounds**

All District buildings and grounds shall be adequately maintained in order to provide an appropriate, safe, and energy efficient physical environment for learning and teaching. The Superintendent or designee shall provide the Board with periodic reports on maintenance data and projected maintenance needs that include cost analysis. Prior Board approval is needed for all renovations or permanent alterations to buildings or grounds when the total cost will exceed \$172,500, [PRESSPlus1](#) including the cost equivalent of staff time. This policy is not intended to discourage efforts to improve the appearance of buildings or grounds that are consistent with the designated use of those buildings and grounds.

##### **Standards for Green Cleaning**

For each District school with 50 or more students, the Superintendent or designee shall establish and supervise a green cleaning program that complies with the guidelines established by the Illinois Green Government Coordinating Council.

##### **Standards for Facility Construction and Building Programs**

As appropriate, the Board will authorize a comprehensive study to determine the need for facility construction and expansion. On an annual basis, the Superintendent or designee shall provide the Board with projected facility needs, enrollment trends, and other data impacting facility use. Board approval is needed for all new facility construction and expansion.

When making decisions pertaining to design and construction of school facilities, the Board will confer with members of the staff and community, the Ill. State Board of Education, and educational and architectural consultants, as it deems appropriate. The Board's facility goals are to:

1. Integrate facilities planning with other aspects of planning and goal-setting.
2. Base educational specifications for school buildings on identifiable student needs.
3. Design buildings for sufficient flexibility to permit new or modified programs.
4. Design buildings for maximum potential for community use.
5. Meet or exceed all safety requirements.
6. Meet requirements on the accessibility of school facilities to disabled persons as specified in

State and federal law.

7. Provide for low maintenance costs, energy efficiency, and minimal environmental impact.

### Naming Buildings and Facilities

Recognizing that the name for a school building, facility, or ground or field reflects on its public image, the Board's primary consideration will be to select a name that enhances the credibility and stature of the school or facility. Any request to name or rename an existing facility should be submitted to the Board. When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with supporting rationale, to the Board. The Board will make the final selection.

The Board will consider the naming of facilities for individuals or groups who have met the criteria of having made significant contributions to society, provided outstanding service to the District, and contributed to the advancement of the honored traditions of education. Nominations must be made by residents of Zion-Benton Twp. High School District 126.

Only employees who have provided twenty years of outstanding service to the District will be considered for this honor. Nominations will not be considered until five years after the death or retirement of an individual. Monetary sponsorships will be considered on a case-by-case basis, with primary consideration given to the percentage of the project funded by the sponsor.

Nominations are to be submitted to the Board of Education via the Superintendent's Office on the appropriate Facility Naming Nomination Form. Nominations will be reviewed by the Board of Education or a subcommittee designated by the Board President with the majority of the committee's members being current Board members. The final decision regarding the naming of facilities rests solely with the Board of Education of District 126 and requires a majority vote of the Board of Education.

Multiple individuals and/or groups may receive the honor of having their name recognized for and associated with a facility. Criteria for and approval of multiple-naming rests solely with the Board of Education.

The Board of Education will approve the style and location of all signage, monuments, or other identifiers to be utilized for naming purposes.

The Superintendent or designee may name a room or designate some area on a school's property in honor of an individual or group that has performed outstanding service to the school without using the process in this policy.

The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

*Negligent failure to report* occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at <https://report.cybertip.org> or [www.missingkids.org](http://www.missingkids.org). The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

#### Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. If the Board determines that any District employee, other than an employee licensed under [105 ILCS 5/21B](#), has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in policy 2:20, *Powers and Duties of the Board of Education; Indemnification*.

### General Personnel

#### **5:120 Employee Ethics; Code of Professional Conduct; and Conflict of Interest**

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

#### Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, *Title IX Sexual Harassment Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
  - a. Transporting a student;
  - b. Taking or possessing a photo or video of a student; and

- c. Meeting with a student or contacting a student outside the employee's professional role.
- 4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
- 5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
  - a. Violates expectations and guidelines for employee-student boundaries.
  - b. Sexually harasses a student.
  - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act ([325 ILCS 5/](#)), Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681 et seq.](#)), or the Elementary and Secondary Education Act ([20 U.S.C. § 7926](#)).
  - d. Engages in *grooming* as defined in [720 ILCS 5/11-25](#).
  - e. Engages in grooming behaviors.
  - f. PROHIBITED CONDUCT Staff are prohibited from engaging in any of the following types of prohibited conduct, regardless of whether the conduct occurs on or off school property or whether the conduct occurs during or outside of school hours. The following list of prohibited conduct does not, and is not intended to, constitute the entire list of conduct for which discipline may be imposed.
    - i. engaging in any romantic or sexual relationships with students, including dating, flirting, sexual contact, inappropriate physical displays of affection, or sexually suggestive comments between staff and students, regardless of whether staff or student initiates the behavior, whether the relationship is consensual, or whether the student has parental permission.

PRESSPlus 3. 105 ILCS 5/10-20.84(a), added by P.A. 102-917 and renumbered by P.A. 103-154. Unless a board has opted out, career exploration and career development activities in grades 6-12 must be implemented by 7-1-25 in accordance with the model framework adopted by State agencies known as the PaCE Framework. See [www.isac.org/pace/il-pace-resource-materials.html](http://www.isac.org/pace/il-pace-resource-materials.html) for the middle school and high school frameworks and additional implementation resources.

To fully or partially opt out of career exploration and career development activities under 105 ILCS 5/10-20.84(d), a board must adopt a set of findings that considers the following: (1) the district's current systems for college and career readiness; (2) the district's cost of implementation balanced against the potential benefits to students and families through improved postsecondary education and career outcomes; (3) the willingness and capacity of local businesses to partner with the district for successful implementation of pathways other than education; (4) the willingness of institutions of higher education to partner with the district for successful implementation of the pathway and whether the district has sought and established a partnership agreement with a community college district incorporating provisions of the Model Partnership Agreement under the Dual Credit Quality Act (110 ILCS 27/) (see [www.isbe.net/Documents/DCQA-Model-Partnership-Agreement-Form.pdf](http://www.isbe.net/Documents/DCQA-Model-Partnership-Agreement-Form.pdf)); (5) the availability of a statewide database of participating local business partners, as provided under the Postsecondary and Workforce Readiness Act (110 ILCS 148/), for the purpose of career readiness and the accessibility of those work experiences and apprenticeships listed in the database to district students (see the link to the Work-based Learning Database at [www.isbe.net/cte](http://www.isbe.net/cte)); and (6) the availability of properly licensed teachers or teachers meeting faculty credential standards for dual credit courses to instruct in the program required for the endorsement areas. 105 ILCS 5/10-20.84(d) (1)-(6), added by P.A. 102-917 and renumbered by P.A. 103-154. A board opting out must report its findings and decision to ISBE. A board may also reverse its decision regarding implementation in whole or in part at any time.

In practice, unless a district has created its own career exploration and career development activities framework that does not align with the PaCE Framework, a board is unlikely to opt out of the PaCE Framework under 105 ILCS 5/10-20.84(a) and still implement College and Career Pathway Endorsements under 105 ILCS 5/10-20.84(c) (CCPE) because career exploration activities are a prerequisite to award of the endorsements. 23 Ill.Admin.Code §258.20.

Delete this sentence if the board has fully opted out of implementation of career exploration and career development activities under 105 ILCS 5/10-20.84(d), added by P.A. 102-917 and renumbered by P.A. 103-154. Regarding partial opt-out from this requirement, the law does not address the types of partial opt-out(s) available. As of the date of the publication of **PRESS** Issue 117 (October 2024), ISBE had not issued any rulemaking or guidance on this topic or any details regarding reporting of a full or partial opt-out to ISBE, other than to indicate to IASB that districts can submit their decision to [CTE@isbe.net](mailto:CTE@isbe.net). Boards interested in opting out from this requirement should consult the Board attorney and check for any further guidance that may be issued by ISBE. **Issue 117, October 2024**

PRESSPlus 4. 105 ILCS 5/10-20.84(b) and (c), added by P.A. 102-917 and renumbered by P.A.

103-154; 23 Ill.Admin.Code Part 258.

By 7-1-25, a board must elect to either implement CCPE or take action to opt out of it. See [www.isbe.net/pathwayendorsements](http://www.isbe.net/pathwayendorsements) for more information. 105 ILCS 5/10-20.84(c) requires a district to implement CCPE either independently, through an area career center, or through an inter-district cooperative, on the following schedule: (1) at least one endorsement area for the graduating class of 2027; (2) at least two endorsement areas for the graduating class of 2029; and (3) at least three endorsement areas for the graduating class of 2031, if a district's grade 9-12 enrollment is more than 350 students, as calculated by ISBE for the 2022-2023 school year. A board implementing CCPE must, by 7-1-25, submit the necessary application materials (including an Endorsement Plan, see 23 Ill.Admin.Code §258.20) to ISBE, or the board must adopt a timeline for implementation of the number of endorsement areas required by 105 ILCS 5/10-20.84(c). A board may opt out of implementing CCPE entirely or it may initially implement an endorsement area for the class of 2027 and then later choose to partially opt out by opting out of the class of 2029 and/or class of 2031 endorsement area schedule. 105 ILCS 5/10-20.84(c) and (d), added by P.A. 102-917 and renumbered by P.A. 103-154; 23 Ill.Admin.Code §258.40(a) and (b). A board that chooses to fully opt out of CCPE must submit documentation of its decision and specific findings to ISBE by 7-1-25. A board that later chooses to partially opt out of CCPE by opting out of the 2029 and/or 2031 endorsement area schedule must submit documentation of its decision and specific findings no later than July 1 immediately before the school year the district would be required to award the endorsement.

If fully opting out of CCPE by 7-1-25 or later partially opting out of the 2029 and/or 2031 endorsement area schedule, a board must adopt a set of findings that considers the following: (1) the district's current systems for college and career readiness; (2) the district's cost of implementation balanced against the potential benefits to students and families through improved postsecondary education and career outcomes; (3) the willingness and capacity of local businesses to partner with the district for successful implementation of pathways other than education; (4) the willingness of institutions of higher education to partner with the district for successful implementation of the pathway and whether the district has sought and established a partnership agreement with a community college district incorporating provisions of the Model Partnership Agreement under the Dual Credit Quality Act (110 ILCS 27/) (see [www.isbe.net/Documents/DCQA-Model-Partnership-Agreement-Form.pdf](http://www.isbe.net/Documents/DCQA-Model-Partnership-Agreement-Form.pdf)); (5) the availability of a statewide database of participating local business partners, as provided under the Postsecondary and Workforce Readiness Act (110 ILCS 148/), for the purpose of career readiness and the accessibility of those work experiences and apprenticeships listed in the database to district students (see the link to the Work-based Learning Database at [www.isbe.net/cte](http://www.isbe.net/cte)); and (6) the availability of properly licensed teachers or teachers meeting faculty credential standards for dual credit courses to instruct in the program required for the endorsement areas. 105 ILCS 5/10-20.84(d) (1)-(6), added by P.A. 102-917 and renumbered by P.A. 103-154. A board opting out must report its findings and decision on implementation by submitting the following information to ISBE, via the College and Career Pathway Endorsement portal: (1) the reasoning for opting out, and (2) copies of the board's meeting agenda, board findings, and board meeting minutes. 23 Ill.Admin.Code §258.40(a). A board can manage compliance with the documentation requirements by adopting a written resolution or adopting findings set forth in another document. A board may also reverse its decision regarding implementation of CCPE in whole or in part at any time.

Delete this sentence if a board has fully opted out of implementing CCPE, and delete 105 ILCS 5/10-20.84 from the Legal References if the board has fully opted out of CCPE and also fully opted out of the career exploration and career development activities in grades 6-12. **Issue 117, October 2024**

PRESSPlus 5. Updated in response to 105 ILCS 5/27-13.1, amended by P.A. 103-837, eff. 7-1-25; 23 Ill.Admin.Code §1.420(l). Instruction on the conservation of natural resources must include, but is

not limited to, air pollution, water pollution, waste reduction and recycling, the effect of excessive use of pesticides, preservation of wilderness areas, forest management, protection of wildlife, and humane care of animals. Instruction on climate change must include, but is not limited to, identifying the environmental and ecological impacts of climate change on individuals and communities and evaluating solutions for addressing and mitigating the impact of climate change. It is not limited to students who have been identified as gifted and talented. Eligibility to participate in the District's APP shall not be conditioned upon the protected classifications identified in Board policy 7:10, *Equal Educational Opportunities*, or any factor other than the student's identification as an accelerated learner.

The Superintendent or designee shall implement an APP that includes:

1. Decision-making processes that are fair, equitable, and involve multiple individuals, e.g. District administrators, teachers, and school support personnel, and a student's parent(s)/guardian(s).

#### **7:100 Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students**

##### Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering the ninth grade; and
2. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grade 12.

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening. If proof of the developmental screening or the social and emotional screening portions of the health examination are not presented, qualified school support personnel may, with a parent/guardian's consent, offer the screenings to the child.
4. The District will provide informational materials regarding influenza, **and** influenza vaccinations, **meningococcal disease, and meningococcal vaccinations** [PRESSPlus1](#) developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

Unless an exemption or extension applies, the failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after October 15 of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

### Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

### Dental Examination

All children in ninth grade must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

### Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.
3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

## Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. Board of Education policy 6:140, *Education of Homeless Children*, governs the enrollment of homeless children.

In such cases, the notice and conference shall follow as soon as practicable.
