

Zion-Benton Township High School District 126
Office of Business Services

MEMO

June 24, 2025

To: Board of Education
From: Dr. Jesse Rodriguez, Superintendent
Dr. Jim Woell, CSBO

The 10 Year Health Life Safety Study has been completed and submitted to ISBE. The estimated cost to complete all identified work is \$2,130,792. We will be able to complete the necessary work for far less as much of this will be accomplished using our own employees and taking advantage of our state contract pricing for several of the items. Much of the work will be completed in conjunction with the Facility Master Plan projects over the next several years and will not be stand alone projects.

Recommendation: That the Board of Education accept the Superintendent's Recommendation to approve the 10 Year Health Life Safety Plan as presented and submitted to the ISBE.
