SUBJECT: **SEDOL Hourly Itinerant Services for the 2025-26 School Year**

Listed below are the hourly Itinerant Services that SEDOL is anticipating for the 2025-26 school year. For purposes of planning and staffing for next year we are requesting that districts notify us of their intent to continue, initiate change or discontinue these services for the 2025-26 school year by May 21, 2025.

Hourly services include direct and indirect service time as indicated on the students IEP. The current itinerant teachers have indicated the anticipated minutes for the 2025-26 school year. Note - we realize that minor adjustments may need to be made based on IEP meetings held after the May 21st deadline. In addition, if a student moves out of your district you will no longer be billed for services requested.

We request your review of the information listed below. Indicate if you are requesting continued hourly itinerant services for each of the students for the 2025-26 school year.
