## MEMO

March 10, 2025

**TO:** Board of Education  
**FROM:** Dr. Jesse J. Rodriguez, Superintendent  
Dr. James J. Woell, CSBO  
**RE:** Interfund Loans

The Board of Education approves resolutions allowing an interfund loan between the Working Cash Fund and various other funds as needed in the spring of each year. This precautionary practice has been followed in case early taxes are delayed and a cash flow shortage occurs in June when we meet our year-end payrolls. These interfund loans, if needed, are repaid upon the receipt of our first installment of taxes.

Recommendation: The Board of Education accepts the Superintendent's recommendation to approve the following three interfund loan resolutions as presented.

1. Resolution to approve an interfund loan between the Working Cash Fund and the Education Fund, as necessary, to cover any shortfall due to the late receipt of taxes.
2. Resolution to approve an interfund loan between the Working Cash Fund and the Operations and Maintenance Fund, as necessary, to cover any shortfall due to the late receipt of taxes.
3. Resolution to approve an interfund loan between the Working Cash Fund and the Transportation Fund, as necessary, to cover any shortfall due to the late receipt of taxes.
