## VI. Teen Court

Excessive disciplinary referrals or suspensions may result in a student being referred to Teen Court. Teen Court is a non-punitive option for students with discipline infractions that could lead to criminal charges. In this process students have the opportunity to have their case heard before a jury of their peers who will issue a “constructive sentence” tailored to the student’s infraction. Successful completion of Teen Court dismisses the original case, and provides the student with a “clean slate” moving forward. Students and families work with the school and local law enforcement to utilize the Teen Court option in place of the traditional court system. Below is a list of possible infractions that may cause a student to be referred to Teen Court.

Possible infractions may include\*:

- Alcohol (possession/consumption)
- Assault
- Criminal damage to property/vehicle
- Criminal trespass to property/vehicle
- Disorderly Conduct
- Illegal possession of fireworks
- Possession/Use of cannabis
- Possession/Use of drug paraphernalia
- Reckless conduct
- Simple battery Telephone and email harassment, to include texting, Facebook, Instagram, sexting, etc.
- Truancy
- Unlawful possession/use of weapon (i.e. knife, blades, BB guns, air pistols and rifles, paintball guns)

\*This list is not all encompassing and may include infractions not specifically included here.

~~Hall gatherings will be performed daily during a randomly selected class period. If students are found in violation of a hall gathering they will be escorted to a designated location and receive a short announcement from an administrator on the importance of being to class on time.~~

- ~~● 24 or more Tardies/Lates during the semester: Student Support Center (SSC) Periods 1-4 or periods 5-8 or Student Support Center Extended (SSX) Periods 1-8 (all day) or combination of disciplinary actions~~
- 6 tardies / parent contacted / Warning
